School Bus

XCL American Academy contracts an external transport provider, KAYE Transport Services Pte Ltd (KAYE Tpt Svc) to transport students to and from school daily. If your child uses this service, you will be billed every semester.*

Bus attendants onboard are there to maintain orderly conduct and ensure the safety of your child during each bus ride. All bus seats are equipped with seat belts. As an additional safety measure, you can track your child's journey on the school bus with use of the bus app.

Transportation fares are subject to prevailing Goods and Services Tax of eight percent (8%).
